GROUP PROFILE

Established by Mr. Rajendra Kumar Agarwal, Rajwada group is one of the leading real estate groups of India engaged in developing contemporary residential properties. Over the course of 15 years, the company has successfully delivered multiple projects and completed over a million square feet of construction and catered to over 1500 customers. Property development and fine construction has been the main focus of Rajwada Group.

Rajwada Group is professionally managed on the basis of a stable and confident business model by Mr. Agarwal and his three sons. The organization has witnessed an impressive compounded annual growth rate without faltering during difficult market and business times. While withstanding the tests of time, the group has accomplished a brand name that equivalents trust, consistency, and innovation.

Our talented team continuously work towards upgrading the quality and high standards of our products, for which we are known for. We work with national and international acclaimed professional associates, deploy modern construction technologies and create a thorough professional environment ruled by the best practices of management to strive towards growth.

Our mission and endeavour has always been to develop modern living and working environments and provide a better life for our customers.

Our vision is to establish Rajwada Group as a household name worldwide known for creating unique landmarks and superior community living while maintaining the highest standards of quality to ensure customer delight.

We warmly invite you to explore our world, visit our projects, meet our team, and discover our way of working and achievements.
